

Dear Stakeholder,

The Lake County Division of Transportation (LCDOT) is conducting a Phase I Engineering Study of the intersection of Hunt Club Road and IL Route 132 to look at intersection safety and congestion. This is one of the most heavily traveled intersections in Lake County. Please join us for a Public Information Meeting on Tuesday, March 28, to learn more about the project and provide your feedback.

The public meeting will be an open house format, so you are welcome to attend at any time between 5 p.m. and 7 p.m. There will be exhibits on display and project representatives will be available to answer questions.

Your comments are important to us! If you are unable to attend the public meeting, you are encouraged to view the meeting materials and provide your comments via the project website. All public meeting materials will be posted the following day on the project website. Comments received by April 11, 2017 will be included in the Public Meeting record. Responses will be posted to the project website.

### **Hunt Club Road - Public Information Meeting**

Tuesday, March 28, 2017 - 5:00 PM to 7:00 PM - Open House Format  
Woodland Intermediate School - 1115 North Hunt Club Road, Gurnee, Illinois 60031

*If you have any questions or need additional information please contact:  
Darrell W. Kuntz, Project Manager at 847.377.7400 or [dkuntz@lakecountyiil.gov](mailto:dkuntz@lakecountyiil.gov)*

The meeting is accessible to individuals with disabilities. Anyone needing specific assistance should contact Paul Schneider of Stanley Consultants at (773) 693-9624. Persons planning to attend who need a sign language interpreter or other similar accommodations should notify the TTY/TTD number (800) 526-0844/or 711; TTY users (Spanish) (800) 501-0864 or 711; and for Telebraille dial (877) 526-6670 at least five days prior to the meeting.

Dear Property Owner,

Based upon a review of the Lake County tax records, you are indicated to be the owner of the referenced property. At this time we anticipate that the proposed improvement will require the acquisition of a temporary construction easement from your property. A temporary construction easement is required in order to grade adjacent properties to match the proposed improvement at driveways and entrances.
